This page contains all information you need to know about Hitman 3 PC game. This page also includes trailer with key scenes from game, release date, game key features and game description, pre-order bonus and game trailer. Overview. Hitman 3 is the best game in series where players play as the most famous assassin in the world Agent 47. In this game you have to perform various mission and kill your targets. This game will not be a sequel to Hitman 2 but an introduction to new universe. This game has more of a mission-based structure and less of the objective-based structure that hitman 2 had, although the objectives are still present and they are still as big of a part of the game as they were in hitman 2. The game is named after a fictional character named Agent 47 who is played by actor Eli Roth. Play Games Download. Buy Original Game. Play Hitman 3 Online Game. Follow us on Twitter.
