Unique Map Design. Unique Map  
Design. Unique Map Design.  
Customizable Units and Heroes. Unlike  
most other real-time strategy games,  
Battle of Empires is made up of small  
maps, rather than large, interconnected  
ones. It's combat system revolves  
around small maps that change your  
army only a few times a game, allowing  
for a much more in-depth tactical  
approach. With the ability to control  
both the terrain and the units, you'll feel  
every single step of the way. Battle of
