Final Fantasy VII Remake is one of the few Final Fantasy games to be an all new game with new story and characters but still having some pieces from Final Fantasy VII. The only game to continue from the Final Fantasy VII series is Final Fantasy VII: Advent Children. The remake is set to be released on PlayStation 4 and PC. The game is an attempt to bring back the "hardcore" feeling of Final

Fantasy VII. The remake still retains the simple game mechanics that made the original Final Fantasy VII such a success but has also added new elements that help to recreate the feel of Final Fantasy VII. The game will also feature music from composer Nobuo Uematsu who did the score for Final Fantasy VII. Final Fantasy VII Remake Jul 12, 2019 Just a tip for Final Fantasy VII Remake fans. I will
