7. Use Revelation for a few days (or weeks!) to get any passwords it can find. . Be sure to write down your current Windows XP or Vista product key. – If you forget your Windows product keys and can't find them on your desktop, just sign in and enter your activation number. This will restore them for you. – To register a product key, go to the control panel: Control Panel - Administrative Tools - Product Key Explorer - Product Key Registration . – Use Revelation to register your Windows product key. Paste it into the Serial Number field (or enter a serial number). Then press the Register button .
