
Bade Dilwala Movie [UPDATED] Download 720p Movies

A police inspector is a man of his word. His wife Mantara is obsessed with money and neglects her family. The film is interesting because it does not contain banal clichés about policemen and bandits. It does not contain a typical detective story, from which the viewer would know that a police inspector is a person with a fine mental organization. Here everything is much more complicated and unpredictable. The film captivates the audience from the first minute. It is not like all other films. It's nice to watch him. The actors are perfect. They are very similar in appearance to each other. The plot is interesting and dynamic.
