But it's worth noting here that even if you do buy a tennis racket/bat online you may end up paying more than you would in a shop because of shipping costs. If you spend enough on your game, you could even end up out of pocket when all is said and done. You could be better off buying a tennis racket/bat at full price and then selling it on eBay, as if you wait till closer to release you may be able to pick it up from the local shop much cheaper.
