A man who was last seen driving the black Ram truck with NO license plate visible in Mecklenburg, Iowa, has been identified as a local resident who has been missing since March 4th. He has been named as Brad Radtke, 32. Mecklenburg Police was able to confirm his identity via fingerprint records from a prior conviction. Though the public is still being strongly advised to only contact the authorities about this incident if they have information, the authorities have been interviewing people who know Radtke and have a number of helpful leads. They are asking that anyone who has seen Radtke, may he or she or some of their family be reached out to by the authorities. There is an extensive reward being offered for information on the whereabouts of Radtke and other factors involved in this incident. Radtke is described as a Caucasian male, 5' 10" tall, 175 pounds with a medium build, blue eyes, short brown hair and a mustache. He has a tattoo on his left upper arm, and another one on his left shoulder. He is believed to have rented a 2009 black Ram truck, a single cab with an extended cab, black in color.
