9. An odd figure in a fedora head mask, a pair of cane-scooters, and a large bag of dog biscuits was seen walking along a sidewalk. Shaggy, Scooby and the gang took off in their Mystery Machine to investigate, but their sleuthing effort was interrupted by a street magician who captured the gang. The Mystery Inc. group had to team up with a real-life magician to find out who was impersonating everyone from Fred the Good Guy to the Scarecrow to the Wizard of Oz. 13. Scooby, Shaggy, Velma, Daphne and Fred were apart and on the case when a fellow sleuth managed to abduct them. The Mystery Inc. gang must figure out what exactly happened, and if they can find the missing person they might as well try to find the one holding them captive. 1. Fred, Daphne and Shaggy invited Scooby on their quest to solve an international mystery at the new International Space Station. There, a human skeleton was discovered, possibly that of the first man to die in space. An unknown alien set out to get the skeleton; the Mystery Inc. gang needed to stop him. 19. In the animated series, Scooby Doo was a smart and friendly dog who helped his gang solve the towns mysteries, and everyone knew his friend Shaggy. The first incarnation of the franchise came in animated series that featured fanciful teenage characters, including Fred Rogers, Daphne Blake, Velma Dinklwy, Shaggy Rogers, and the talking Great Dane named Scooby Doo. Since then, the show has been adapted to several shows and movies where the dog was a highlight character. Lets see if all the Scooby movies are available on Netflix or not and where else fans can stream it.
